represented by the most eminent Re-publicans within her borders. In so do-ing it is probable that the delegation will include some of our ex-Governors

Early in the foreign. Convenial, in the foreign the day and when, together called to perform this day and when, together with the new min who may be associated manifest the the mention of the post of the third of the mention of the third of third of the third of third of the third of the third of third of third of the third of t

are just now everythicityd. All 1972 are presented by the continues of the fewer of

and ours already at public law; and fifth consummated our national humiliation by agreeing to submit the modifications of our law, called for by this treaty, to the British government before they shall go into effect. My friend, I have spont a great deal more time over this matter than I meant to, but I have given you only some of the prominent points which show that this treaty is simply, as was the treaty of Washington of 1871 and the Halifax arbitration of the fishery question; a surrender of the rights of the United States and the dignity and power of her people to the social in fluence at Washington of the British through which and out, nearly one half fluence at Washington of the British through which and out, nearly one half aristocracy." That is about what the the packing has rattled, making it utter-common people, who have seen less of 'y uzeless against fire, and as equally

Gem. Windsor.

You proclaim the advent of your party with a degree of assurance which might be admirable in another cause:

paign began. He is now absolutely out of politics and devoting himself to literature and the pleasures of his family. These are the salient points of an indeventage and crimer in the word of the New York World and published Standay. All the Republican papers accept the declarations of Mr. Blaine as conclusive.

Referring to the Free Trade issue is the United States called out by the President's message The Church Times of London, England, says that the question of the many forms and the proposed law provides for the publication of a stake is certainly a very serious one," The editorial is an argument for a high protective tariff and the distinguished editor bases his opinion on actual results in England. He says: "On the one hand, it seems to be growing clear that under free trade English agriculture can never recover any approach to prosperity or become a fairly remnnerative industry." This weighty conclusion is commended to the thoughtful consideration of American fainters, who are just now overwhelmed with argument standards for the politic consideration of American fainters, who are just now overwhelmed with argument at the most of the first and beginning of the partial thread the sum or observation of the first and beginning of the several base of solitons of the mining treatment of the several base of strength of the several base of strength of the several base of strength of the several three works and beginning of the partial three works and the mining prevalence of d'disorder, the several three works and a many and lam led to the work and a lam led to the lower and the second partial three works are t

the considerations which trive the nominations, namely a non partisan administration of public affairs in the interests of all; but with a ludicrous disregard of your former professions of policy and are just now overwhelmed with arguments showing to us the desirableness of English free trade. The editorial continues: 'On the other hand, the men who considered the other hand, the men who can be a supplied to the other hand
